

Dear Mr. Horst Treffehn,

Monica Njen Matia is a lovely little girl, but still quite shy. She is so eager to join Nursery school that the Teachers have allowed her and her orphan-friend Esther, to be already in Baby-class since

Oct. 2010. But by January 2011 she be officially enrolled. She seems quite bright and learns easily. Both she and her friend also love to join the big girls for the liturgical dances that we perform at our Sunday Church Services. Monica is healthy and strong and well adjusted in the orphanage. The bigger girls look after her very well and when she is unhappy she clings to anyone of them that is near her. Thank you for sponsoring her. Let me wish you a merry Christmas and a happy New Year! Be blessed for the good you do!

Yours sincerely,

G. Lense
