

Dear Mr. Horst Treffehn,

Moses Matia Mulumba is not yet in school and can't write. In Jan. 2011 he will begin in our St. Monica Nursery school in Baby-class. He is very much attached to his fostermother and

I wonder how he will be able to be away from her for a whole morning. We'll see. Moses is a shy, quiet boy, but healthy and strong. The only strange thing is that at the age of 4 he has already lost all his front-teeth. But they are already slowly growing back. Moses mixes well with all the other abundant children in Emmanuel compound, be they small or big, he can be happy among them. Thank you for sponsoring him. Let me wish you a merry Christmas and a prosperous New Year!

Yours sincerely,

Fr. Luise O.P.
